|---|---|-------------|
| <b><u>2004</u></b>  |   |             |
| Curbing Sprawl at Its Core: Community Development and Revitalizing the Built Environment          | Thomas Warnke, with Ann Houston, Annetta Jenkins, Manuela Silva, and Julia Seward (January/February 2004) |             |
| Assessing the Social, Economic, and Land Use Impacts of Transportation Projects                   | Stuart Meck and Josh Edwards (March /April 2004)  |             |
| Metro's Regional Land Information System: The Virtual Key to Portland's Growth Management Success | Richard Bolen, Gerrit-Jan Knaap, and Ethan Seltzer (May/June 2004)  |             |
| Planning and Public Health Reunited: New Opportunities for Collaboration                          | Marya Morris with Valerie Rogers, Jessica Solomon, and Karen Roof (July/August 2004)                      |             |
| Planning for Diversity: Lessons from the Los Angeles Design Action Planning Team Program          | Emily Gabel-Luddy (September/October 2004)  |             |
| Dealing with Diversity: Planning in Multicultural Communities                                     | Stacy Anne Harwood (November/December 2004)   |             |
| <b><u>2005</u></b>  |   |             |
| Racial Disparities in Housing and Health  | Dolores Acevedo-Garcia and Theresa Osypuk (January/February 2005)   |             |
| Environmental Benefits of Trees in Urban Areas  | Greg McPherson and Jim Geiger (March/April 2005)  |             |
| Low Impact Development: An Alternative Approach to Site Design                                    | Asa Foss (May/June 2005)  |             |
| Developer Exactions and the Creation of New City Parks  | Peter Harnik and Laura Yaffe (July/August 2005)   |             |
| The Oregon Housing Needs Model  | Richard Bjelland (September/October 2005)   |             |
| Planners in the Gulf Coast: First Person Accounts of Enduring Hurricanes Katrina & Rita           | Marya Morris and Megan Lewis (November/December 2005)   |             |
| <b><u>2006</u></b>  |   |             |
| Child Care and Economic Development: The Role for Planners  | Mildred Warner (January/February 2006)  |             |
| The Role of Planning in the New Energy Era: Results of a Survey                                   | Megan Lewis, Naomi Friedman, and Lynn Ross (March/April 2006)   |             |
| Town-Gown Partnerships for Success  | Dan Sitler, Michael Rudden, Rob Holzman, and George Homsy (May/June 2006)                                 |             |
| Employer Assisted Housing: An Old Concept Gaining New Momentum                                    | Lynn M. Ross (July/August 2006)   |             |
| Assessing the Health Impacts of Policies, Plans, and Projects                                     | Marya Morris (September/October 2006)   |             |
| Local Economic Development Strategies: An Assessment of Approaches                                | Stuart Meck, Terry Moore, and James Ebenhoh, (November/December 2006)                                     |             |
| <b><u>2007</u></b>  |   |             |
| Paycheck to Paycheck: Putting a Face on Housing Affordability                                     | Barbara J. Lipman (January/February 2007)   |             |

| <b>NAME</b>   | <b>AUTHOR</b>   | <b>MEMO NUMBER</b> |
|---|---|--------------------|
| The Essential Planning Library Revisited  | Shannon Paul and Stuart Meck (March/April 2007)                                   |                    |
| Advances in Land-cover Mapping for Improved Environmental Planning  | David C. Bier and Mark Johnston (May/June 2007)                                   |                    |
| Community Retail Streets: 21st Century Neighborhood Centers   | Karina Ricks, Erinn Flanagan, and Dana Chieco (July/August 2007)                  |                    |
| Community and Regional Food Planning  | Kami Pothukuchi, Deanna Glosser, and Jerome Kaufman (September/October 2007)      |                    |
| A Contemporary Look at Cul-de-sacs and Dead End Streets   | Carol Thomas (November/December 2007)   |                    |
|   |   |                    |
| <b><u>2008</u></b>  |   |                    |
| Community-Based Brownfield Redevelopment  | David Morley (January/February 2008)  |                    |
| Planning for Rooftops: The Benefits of Green Roof Infrastructure  | Peter Lowitt and Steven Peck (March/April 2008)                                   |                    |
| Carsharing: A Guide for Local Planners  | Adam Cohen, Susan Shaheen, and Ryan McKenzie (May/June 2008)                      |                    |
| Applying GIS-Based Land Suitability Analysis  | Joseph A. MacDonald and David Beach (July/August 2008)                            |                    |
| Incorporating Health into Comprehensive Planning  | Melanie Simmons and Carrie Fesperman (September/October 2008)                     |                    |
| Planning for Family Friendly Communities  | Evelyn Israel and Mildred Warner (November/December 2008)                         |                    |
|   |   |                    |
| <b><u>2009</u></b>  |   |                    |
| Integrating Energy and Climate into Planning  | Jan Mueller and Suzanne Rynne (January/February 2009)                             |                    |
| Adapting to Climate Change: Strategies from King County, Washington   | Karen Wolf (March/April 2009)   |                    |
| Green Infrastructure Planning: Recent Advances and Applications   | Ole M. Amundsen, Will Allen, and Kris Hoellen (May/June 2009)                     |                    |
| Making Hazards a Planning Priority  | James C. Schwab (July/August 2009)  |                    |
| Yikes, There's a Tourist in Town: Guidance for Local Planners   | Michael E. Kelly (September/October 2009)   |                    |
| Community Visioning and Corridor Planning: Experiences from Lincoln City, Oregon  | Kurt Olsen, Alison Nelson, and Alexandra Roberts Bullock (November/December 2009) |                    |
|   |   |                    |
| <b><u>2010</u></b>  |   |                    |
| ARS: An Innovative Public Engagement Tool   | Anthony Kobak (January/February 2010)   |                    |
| Climate Action Plans: Lessons Learned from Irvine, California   | Chandra Krout and Alicia Chu (March/April 2010)                                   |                    |
| TDR-Less TDR Revisited: Transfer of Development Rights Innovations and Gunnison County's Residential Density Transfer Program | Mike Pelletier, Rick Pruetz, and Christopher Duerksen (May/June 2010)             |                    |
| New Realities and the Need for Leadership in Transportation Planning  | Noël P. Comeaux and Bruce Wilson (July/August 2010)                               |                    |
| Foreclosure: Community Impacts, Prevention, and Stabilization Strategies  | Jennifer M. Raitt and Mariana Arcaya (September/October 2010)                     |                    |
| Developing a Solar Energy Potential Map   | Lyle Leitelt and Todd BenDor (November/December 2010)                             |                    |
|   |   |                    |
| <b><u>2011</u></b>  |   |                    |
| The OpenNeighborhood Project: A Fresh Look at Public Participation  | Ann Sussman, Justin Hollander, and Yun Luo (January/February 2011)                |                    |
