

# Biography

December 2022  
Dean Anson, Executive Board Member  
Laconia

Dean has been an ecologist all his life. Today, he works on conservation projects, particularly in Laconia, Belknap County, and the Lakes Region. Currently, he serves on several boards, including the Laconia Conservation Commission, the Belknap County Conservation District, and the Winnisquam Watershed Network. He has been a member of the Lakes Region Planning Commission since 2011 and was elected to the Executive Board in 2013.
