

HHW Coordinator's Meeting
June 8, 2022 6:00 PM
Meeting Notes

6:00 **Introductions** – [DJ1]

- Who Attended the Meeting
 - Michael Amero- Franklin, NH
 - Tyler Smith- Laconia, NH
 - Tom Murphy- Belmont, NH
 - Steve Favorite- Bristol, NH
 - Barry Weeks- Meredith, NH
 - Craig Hale- Meredith, NH
 - Ashley Kenney- Moultonborough, NH
 - Jim Humphrey- Sandwich, NH
 - Matt Rose- LRPC
 - Dave Jeffers- LRPC

6:10 **Organizational Items**

- Invoices
 - Invoices were sent out May 15, 2022
 - All letters of commitment have been sent in except for Bridgewater, NH
- Bulb Boxes
 - All site Coordinators have been asked to send in their responses regarding Bulb Boxes, T-shirts, and Contact Info (on Collection Day)
 - Comments were made that boxes, not drums are needed for organizing 8' light bulb tubes
 - S. Favorite noted that Bristol had issues with point of delivery at last years event. Boxes were dropped off at the wrong building and no prior notification was given before boxes arrived
 - Question: If residents bring in 8' bulbs already packaged in a box, can we just keep them that way for transport? **Ans: Yes**

6:20 **Local Coordinator Roles and Responsibilities- Outreach**

- Areas of interest to advertise
 - Bristol- Transfer Station
 - Laconia- Transfer Station and Public Works office
 - Sandwich- Transfer Station
 - Franklin- Transfer Station and City building
 - Moultonborough- Transfer Station and Town Hall
 - Belmont- Fire Department and City Hall
 - Meredith- Transfer Station, Town Hall, Public Library

6:30 **Batteries**

- Boxes
 - M. Rose stated that boxes will be received in the mail soon and will be distributed at the next HHW coordinators meeting

6:45 LRPC Publicity, Outreach, and Information – www.lakesrpc.org/serviceshhw.asp

- D. Jeffers discussed the last LRPC commissioners meeting. The HHW collections event was presented and discussed.
- A question was asked at the LRPC commissioners meeting about used oil and how it is burned as a fuel at transfer stations and other municipal buildings. Are there toxic emissions and are they regulated?
- Shirts for the upcoming event were discussed and it was voted that Orange will be the color of the shirts this year.

7:00 Vendors

- Site visits in July
 - Discussed routes, set ups, and site visits for several sites. Tradebe will conduct site visits for these locations in the beginning of July (July 6-7).

7:20 Other

- We will not be using the loon society for recycling lead this year due to no response.
- It was stated that Bass Pro Shop takes lead sinkers for free.
- Alexandria DPW have been coming to Bristol site with hazardous waste, which is not allowed at the event.
- Noted: Used car oil can go to regular car garages or dealerships for free because they burn used oil for heating fuel.
- Gloves should be purchased for next years event.

7:30 Conclusion
