Keynote Speaker - Marty Parichand:

We are fortunate to have Marty Parichand as our Keynote Speaker, Founder and Visionary behind Franklin's Mill City Park, New Hampshire's *only* whitewater park. Marty is a Franklin resident, Founder & CEO of Outdoor New England (also located in Franklin), and a family man. He holds a B.S. degree in Electrical & Computer Engineering and a Master's degree in Electrical Engineering. Whether you enjoy whitewater rafting, kayaking, canoeing, hiking or biking – Mill City Park is the apex of it all! Watch Marty's presentation on how this idea came to life and what it holds for the future.

This year's event will be held at the historic Mojalaki Country Club in Franklin, NH under a white high peak Century tent, encircled by elegant bistro lighting and surrounded by spectacular views of Mt. Kearsarge and the Merrimack River Valley. A cash bar will be available, and the Mojalaki Country Club will be providing a catered buffet.

Spend the day exploring Mill City Park and all the City of Franklin has to offer. Then spend the evening with us celebrating the collaborative effort which is leading to the revitalization of the City of Franklin. From a closed-down mill town to an up-and-coming travel destination, Franklin has come a long way. "Planning for the future, while preserving the past."
