

**Lakes Region Planning Commission Meeting**  
**Monday, November 17, 2014**  
**6:00 P.M.**

Dear LRPC Commissioners, Town Administrators/City Managers, Selectboards/City Councils, Planning Boards, and Interested Parties:

On Monday, November 17, 2014 at the Wolfeboro Public Library, 259 South Main Street, Wolfeboro, NH the LRPC Commissioners will hold its regular meeting and conduct a panel discussion on the Draft Lakes Region Broadband Plan. The Lakes Region Broadband Plan is a local and regional planning initiative based on a statewide plan and approach from the New Hampshire Broadband Mapping and Planning Program (NHBMPP). NHBMPP is a comprehensive, multi-year initiative that began in 2010 with the goal of understanding where broadband is currently available in New Hampshire, how it can be made more widely available in the future, and how to encourage increased levels of broadband adoption and usage.

As technology is constantly changing and evolving, the Lakes Region Broadband Plan represents a “snapshot” in time and is likely relevant for no more than three years. The major emphasis of this Plan is the recognition of the critical role that broadband and high speed Internet play in the long-term economic well-being and prosperity of the region.

The draft Lakes Region Broadband Plan can be viewed on the LRPC website online at <http://www.lakesrpc.org/Broadband/BbPlan101714FinalDraft.pdf>.

Please join us on Monday, November 17, this is an excellent opportunity to share information with those at the cutting edge of local and statewide Broadband work in NH. All LRPC meetings are open to the public. For additional information or special accommodation, please contact the LRPC: 279-8171 or [lrpc@lakesrpc.org](mailto:lrpc@lakesrpc.org).
